DEDICATION

MRS. GLORIA FAAET

We, the members of the class of 1976, dedicate this yearbook to two of the most wonderful women we have come to know during our stay at Delaware Valley College. They have served us without question above and beyond the call of duty. Aside from performing their duties in the offices of Dean of Student's and Assistant Dean of Students, Mrs. Gloria Faaet and Mrs. Shirley Finnie have many times been the mother away from home all of us have needed at some time in our college career.

Mrs. Gloria Faaet a mother of two children, graduated from Olney High School, Pierce Business School and the University of Pennsylvania where she was enrolled in a "Supervisory Course in Handling of Workers." She has been employed by companies such as Prudential Life Insurance, Metropolitan Life Insurance, Bucks County Bank and Trust and finally, has been employed here at Delaware Valley College for the past eight years in the Dean of Students Office. Mrs. Faaet is President of the Women's Society of the Chalfont Methodist Church where she is also a Sunday school teacher, and Cub Scout leader. She has also been active in the Cancer Society, Red Cross, and is Vice President of the Central Bucks P.T.A.

Mrs. Shirley Finnie a mother of two children and a grandmother of three, graduated from Frankford High School, Temple University School of Business and the Charles Price School of Advertising and Journalism. Mrs. Finnie also received a degree from Drexel University in Mechanical Engineering. In the past, she has been employed by Rohm and Haas, and was Secretary to the President of Pack-Rite Company. Mrs. Finnie has been quite active in several social and volunteer organizations including the American Red Cross, the Bucks County 4-H Program and is an active member of the United Methodist Church.

To you, Mrs. Faaet and Mrs. Finnie, we say Thank You! We Love You!

MRS. SHIRLEY FINNIE

Members of the Graduating Class of 1976:

I will try not to use any mundane or meaningless words to thank you for the dedication of the 1976 Year-book. You have shown by this dedication great respect, appreciation, and affection for Mrs. Finnie and me.

You, the Class of '76, have also gained our admiration, respect, and love. I cannot deny that you have been a demanding class. You demanded all available knowledge and honest answers to your questions. However, you accepted your responsibilities willingly, and gave your talents and time to the functions of Student Government, club activities and even reached out to help the Doylestown community!!

As for my help, in whatever small way it may have been, I can only say that you were so like my own son and daughter that had I not shown you every consideration and "walked an extra mile" at times, then, surely, I would not only have failed you, but also my own children as well.

We will miss you! Return to Delaware Valley College and enrich our lives with your accomplishments!

Sincerely,

(Mrs) Gloria Faaet, Secretary
Dean of Students' Office

Members of the Class of 1976:

Thank you for giving me the opportunity to wish you a life of accomplishment and personal fulfillment.

It seems as if your stay at Delaware Valley College began only yesterday and now as you stand at the threshold of a new phase of life, I hope you will look back with fond memories.

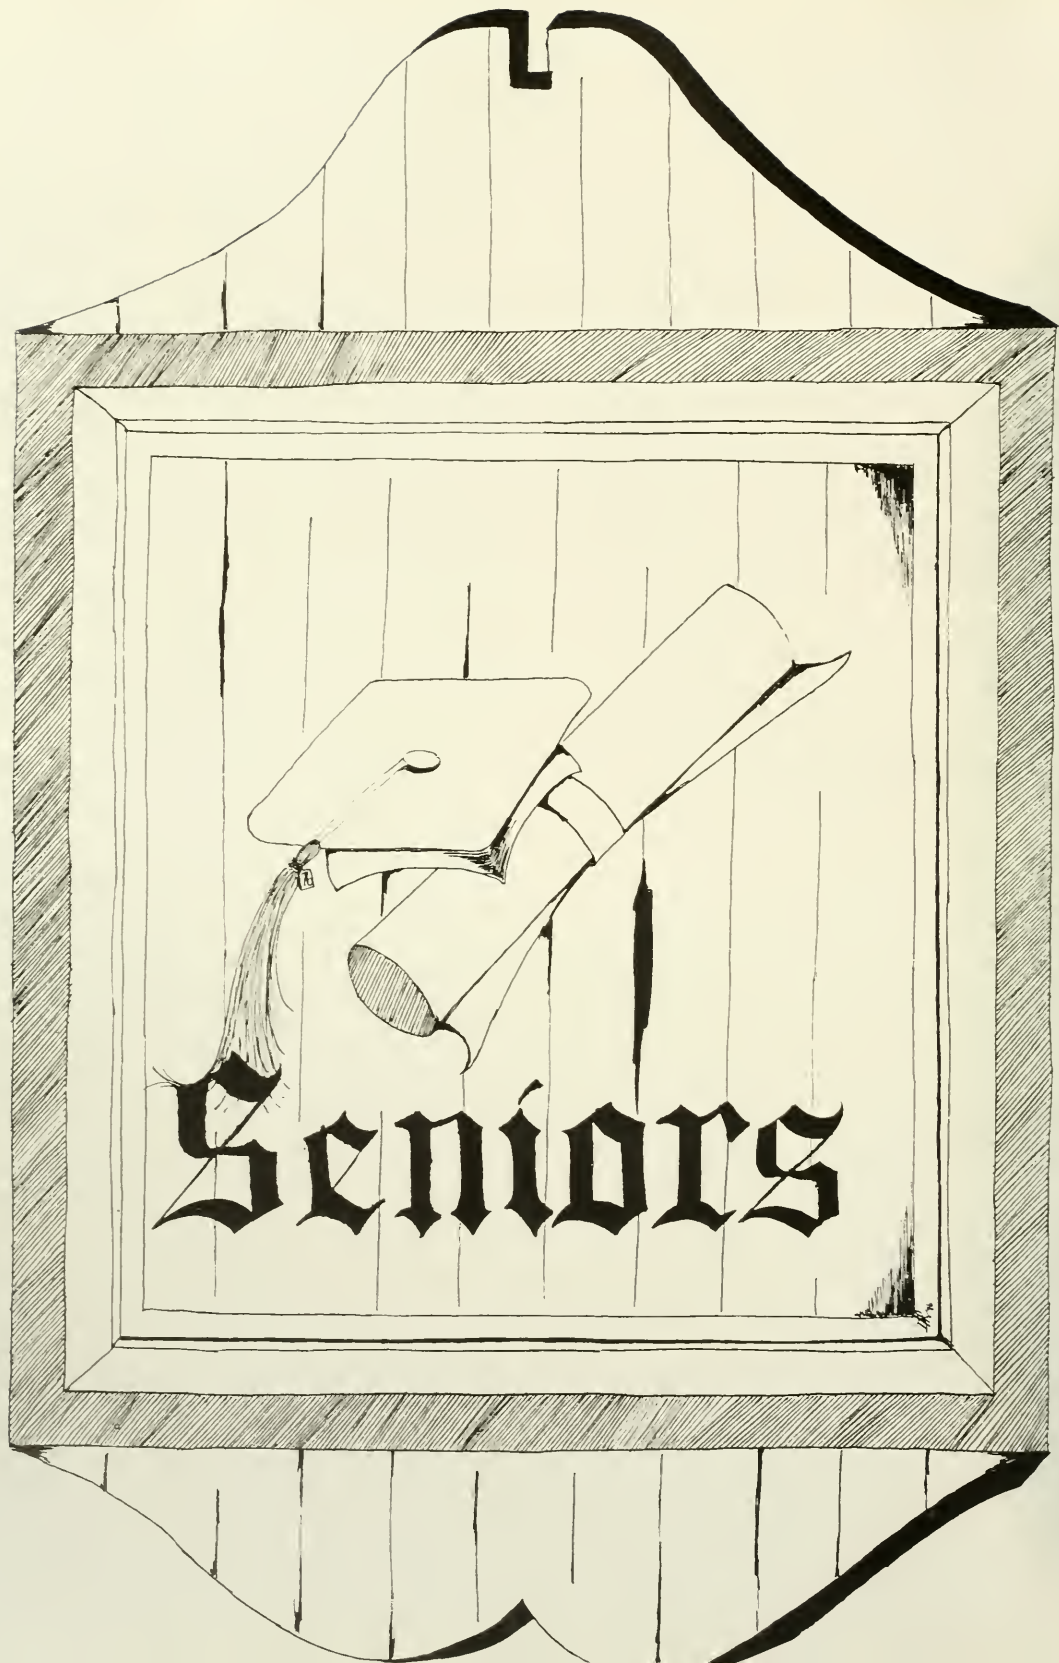

An education is many things! Your years at Delaware Valley College have been active ones, filled with opportunities to work, to learn, to explore, to question and, above all, to think independently in your drive for self-development. During the past four years, we watched you adjust...we saw you grow...and now we are confident each of you is ready to meet the new challenges of life in the true "Aggie" spirit.

Best wishes in all your endeavors.

Sincerely,

Shirley B. Finnie

SENIOR CLASS PRESIDENT

Fellow Classmates

Upon us has come a time that many have longed for but few have sensed its speedy arrival. Graduation is a period for reflecting the past, sensing the present and looking toward a future filled with uncertainty.

Reminiscing the past four years brings to mind memories of experiences -- both good and bad -- the things that are the very essence of what makes Del Val so unique. Such experiences as these, which were integral parts of our lives, have shaped our characters into what we are today.

For many this marks the end of a formal education and the beginning of a practical one. For others, this is but one step in a journey toward a higher degree. Which ever the case, I'm sure that these last four years will be carried in our treasured memories for the duration of our lives.

Our brief period here has given us much, but most of all, Del Val has bestowed upon us something which no one can take from us... Knowledge. Now it's our turn to use that which has been given us to its fullest. Wherever our separate paths lead us, let us not lose sight of our goals which have carried us this far, for now they are ours for the asking. But, life is a rough road; nobody promised us otherwise. The knowledge, maturity, and responsibility acquired at Del Val have given us the capacity to travel it.

We are at a high point in our lives and those stars we've been reaching for are closer now than they ever have been.

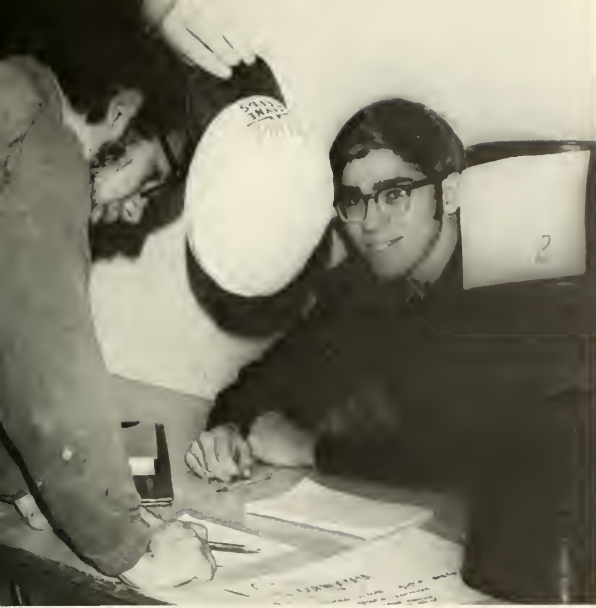

To each of you go my deepest hopes for a happy and prosperous life.

Yours truly,

Gary R Seckinger

GEORGE F. WEST, B.S., M.B.A.
Chairman Business Administration Department
Assistant Professor of Business Administration

To the Class of 1976

Difficult times seem to bring out the best qualities in people. You, the Bicentennial Class, are graduating during an era of challenging economic problems. Bold leadership and proper business sense will be necessary to reach higher levels of production efficiency. You are in a position to participate in the beginning of the Nation's third century. By your education you have been well equipped to assist in future growth and development. Profit from your educational experiences and we shall all reap the return.

To the Evening College Graduates:

It is with a deep sense of pride and respect that I congratulate you upon your hard-won achievement. Having obtained an advanced degree through evening participation and study, I can appreciate the many sacrifices and hardships you have endured in earning your degree in Business Administration.

I hope that the unique combination of education and experience so characteristic of the evening student will serve you well in the years ahead and place you high on the list of successful graduates of the college.

With my best wishes,

Sincere appreciation to my loving wife, Margaret, for without her help, understanding, and encouragement my picture would not be here.

MCCLELLAN E. BECHTEL III

Thanks to: My wife, Ange, for being kind to an absentee husband. My friend, Norm Bock, for his support and direction. George West, George Keys, and Gordon Roberts for being teachers. APICS for their welcome \$500.00 scholarship. The young girl who said to me "You're going to school at your age?", for keeping things in perspective.

OTTO G. BLAVIER

I dedicate this moment of achievement: To my understanding wife, Ruth, Who for eight years has encouraged me with words and acts of inspiration; she has made this moment a joint accomplishment. To my children Loretta and Layne, Who have earned my unending admiration, for they have been able to mature into fine young adults with only a part-time father. To the many others, far too numerous to mention, who have touched my life and aided my scholarship to make this moment possible, I sincerely thank you.

NORMAN M. BOCK

Thanks to Nancy for being an understanding "evening school Widow" and my apologies to Bill for having a part-time father over the past nine years. Thanks for teachers like George West, Dr. Keys, and Gordon Roberts. I'll never forget M.S.'s situations, G.H.'s Forte and G.W.'s generally speaking and in most cases. Last but not

I wish to thank my wife and children for their perseverance and time in helping me to achieve one of the most important goals in my life.

HENRY DE WITT

Having been able to attend a small college where I was offered the professors time both in class and outside of class; Mr. West, Mr. Roberts, and Mr. Handler to name a few who offered their time.

CHARLES A. MADDUX

To have the opportunity to be associated with the fine people who were my classmates through the years. Also, my deep appreciation to my wife, Beverly, for her support and understanding through the many evenings alone.

JOSEPH A. MALITSKY

My fondest memories begin with those of my wife who has made it possible for me to reach the milestone in life. Her loving dedication went further than anyone could have expected. She took complete charge of our home, three children and attended many functions as both mother and father. My graduation is also her graduation. Another memory will be the atmosphere of Delaware Valley College. I transferred from a large college in Connecticut and was impressed with the continuing spirit of the individual recognition at Del-Val. The professors displayed a unique desire to get the individual students involved in the class; it was quite a contrast going from a student number in the large college to a first name basis at Del Val.

NORMAN W. MESHAW

My fondest memories are those I missed seeing my children Lisa and Michelle growing-up for the past 6 1/2 years. I would like to thank them for putting up with a part time father. Most of all I would like to thank my wife Carol. Without her understanding, patience, and help I would never have made it. I would also like to thank the DVC evening college and professors for putting up with me for the past 6 1/2 years.

NORMAN F. MITCHELL

Making friends with so many of the nice students and teachers... Air Hockey games between class breaks... Waiting outside the Agriculture building until the doors would be opened EXACTLY at 7:45 PM each evening... regardless of weather conditions, HA!

The terrible apprehension of mid-terms...and final exams and then the relief when they're over... reports on Gulliver's Travels and when they're over.... Statistics, seeing probability problems in my sleep Being greeted by my wife at the end of every class night.... with her usual "How did it go".... ... Trying to do term papers while dreaming about fishing.... Having "May 16th. 1976" burned deep in my mind. The first time I saw my class ring.

ROGER E. NAGLE

As I look back, the challenges and sacrifices to receive my education seemed insurmountable. The encouragement of my wife, family, and friends at DVC played an integral part in making this graduation possible. To them I owe and relay deep appreciation and gratitude.

FRANK T. ORGILL

To my wife and children. Your love and understanding helped me to reach this goal. Thank you.

LAWRENCE C. RODGER, JR.

Thank you to my children for their understanding & to my wife for her encouragement & patience.

NORMAN SCHORR

Thank you to my wife, Ro, who for all the years of our marriage has stood beside me and sometimes behind me, in order to give a push now and then during my night school career (19 years does make it a career). To my children, Larry, Lisa, and Howard who thought being a father meant going to school at night because for all their lives that is what I have done. Thank you. We finally made it!

JOHN D. STEVENS

D.V.C. is a fine school and has given me many lasting friendships and memories. My thanks go to my wife and children for their patience and perservance over the past seven years. They made it all possible. "Good Luck" to all my fellow classmates.

JOSEPH C. WALTER, JR.

My fondest memory is the strong support and encouragement throughout the years by my wife, Kathy, without it, completion would have been in doubt.

DR. ROBERT S. ORR, A.B., M.S., Ph. D.
Chairman: Chemistry Department
Professor of Chemistry

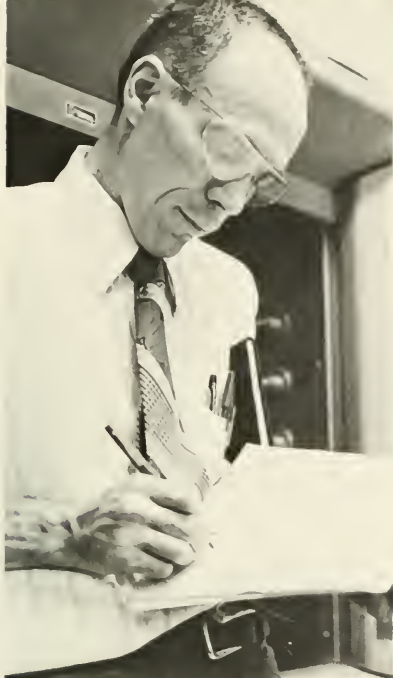

To the Chemistry graduates of 1976

For you, graduation is both a beginning and an ending: a time to reflect on past experiences at Delaware Valley and to make plans for the future. For the Chemistry Faculty, your graduation means that we will be unable to work together on a daily basis. However, you have been an interested, hard-working group of students, and we take pride in your success in earning your degrees. We hope that you will continue to learn, grow and share. Today's world requires people who maintain their standards, meet their responsibilities, and are sensitive to the needs of others. We encourage you to meet these challenges and make a contribution towards a better tomorrow.

From all of us in the Chemistry department, I wish to extend to you congratulations and best wishes for the future.

DAIRY HUSBANDRY

JOHN R. PLUMMER, B.S., M.S., Ph. D.
Assistant Professor of Dairy Science

To the Dairy Husbandry Class of 1976:

Two hundred years ago, our forefathers embarked upon a great challenge--the establishment of a democratic government that would withstand the test of time and provide freedom for all Americans from the oppressions of that day. Their success is evidenced by the fact that each of you has had the freedom to avail yourself of the opportunity to lay the cornerstones of your life on a sound college education.

As you look back on your years at Delaware Valley, I am sure you, too are happy to be free of certain aspects of college which you considered oppressive--8:30 a.m. classes, rules and regulations, final examinations, etcetera. My hope for you is that, like your forefathers, you will be able to realize that your freedom is not really free, but rather something that must be carefully structured and organized to withstand the test of time. As you step into your chosen career, you will continually find that you must turn to knowledge, experience, diplomacy, and compromise if you are to succeed.

My congratulations and best wishes go with you as you embark upon this great challenge. I am confident that you will succeed.

To the Horticulture Graduates of 1976

A college student's career is in some ways paralleled in the plant world you have been studying these past four years. You enter college life in the juvenile stage and exit in the adult stage of your life. With plants this transition results in the ability to flower and yield fruit. And, like plants, the time has come for you to blossom and bear the fruits of your education. It is the sincere hope of the Horticulture Faculty that your years spent at Delaware Valley College have prepared you for a bountiful harvest.

We extend to each of you hearty congratulations and our best wishes.

JOHN MERTZ, B.S., M.S., Ph. D.
Department Chairman Ornamental Horticulture

To the Class of 1976:

Your graduation in May marks the end of what the Department is confident that you will come to view as four of the most important and fruitful years of your lives. It also marks the beginning of a lifetime of professional contributions and civic and family commitments. So May 16 is an instant in transition, a moment you will come to remember for what it is--both an end and a beginning.

In the years ahead we hope that you will continue to think of yourselves as part of the Department. We, too, are in transition, seeking to identify that which is the best of the old and to blend with it new ingredients that we think will help us to fulfill our mission with increased sensitivity to the needs of our students. We trust that you will keep in touch with us and contribute wherever you can to our efforts to continually strengthen the major and the college.

I and the members of the Departmental Faculty offer our congratulations to you and we look forward to your continued success with the utmost confidence.

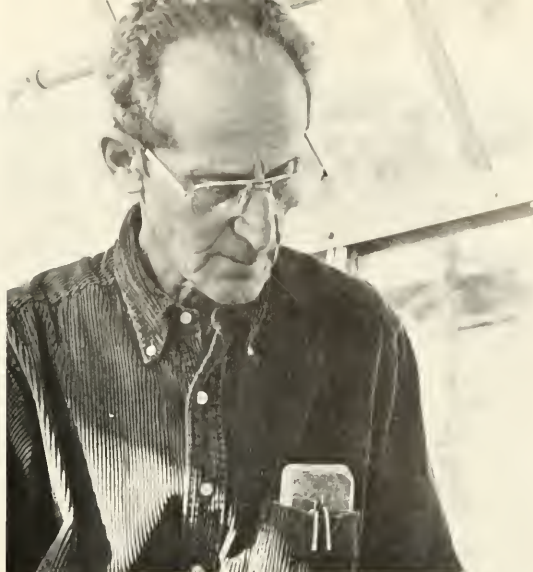

Sincerely,
John C. Mertz

SENIOR CLASS ADVISOR

To the Class of 1976:

Thank you for the opportunity to address the Class of 1976. It is both a pleasure and a privilege.

My association with you as your class adviser has been very rewarding. It has been a pleasure watching you grow, mature and learn from your experiences at Delaware Valley College.

You will now be joining an extensive and distinguished list of successful graduates and I am sure that you will take your rightful place with them.

I know that you will cherish the memories of your college years and I hope that you will make your college friendships last a lifetime.

I look forward to your return visits and I hope they will be often.

It is fitting that your graduation occurs during our nation's Bicentennial since many of your desires as leaders, organizers and innovators were also shared by our founding fathers.

One appropriate parting thought is that the learning process does not end on Commencement Day, but rather it is the beginning.

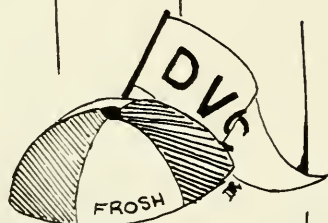

Thank you for the opportunity to serve you.

Sincerely,
Louis L. Hegyes

ATHLETIC DIRECTOR

In the time that I have spent at Delaware Valley College the thing that has made me feel most at home among you in your busy college life is the attitude that I find in most of you. You are very serious about your studies and try to make the most of the opportunities that the faculty, administration and your classmates have made available to you. You are enthusiastic and realistic in carrying on your extra-curricular activities and blending them with your scholarship. I think you will find as you continue to grow and develop that many of your richest undergraduate opportunities were not realized completely while you were in school but as this growth continues you can draw upon the treasures of a good education. It is to be understood that the real appreciation of this rich experience can only be savored over the many years after graduation.

Upon graduation you will become alumni and alumnae and I would like to remind you of your privilege and responsibility of retaining an active constructive interest in your college. Come back and visit the campus as often as you can, you will always be welcome.

H. William Craver
Acting Athletic Director.

CHEERLEADING 75-76

FRONT: Linda Morgan--BOTTOM ROW (L TO R): Connie Smith, Beverly Tichy, Joanne Whitehead--TOP ROW: Deb Vislosky, Beth Stephens, Mary Corrao

Cheerleading. A tough but rewarding sport.

No one can explain why a cheerleader does what she does. She is a sports lover who tries her best to encourage her team and to back them all the way, win or lose. There is something that keeps her cheering through good times and bad, cheering when the team most needs her, always working hard, doing her best, coming back again and again.

But cheerleaders, along with their smiles, often run into hard and disappointing times. She gets frustrated and can't help but get depressed. She gets injured and waits for the day she can get back into the squad. She can't smile all the time. She is, after all, human.

A lot of time and work goes into cheerleading, If you start September 1st, and put all the practices and games she attends in a row, the sport runs into December. That includes two months of practices and over a month of games. That's a lot of time.

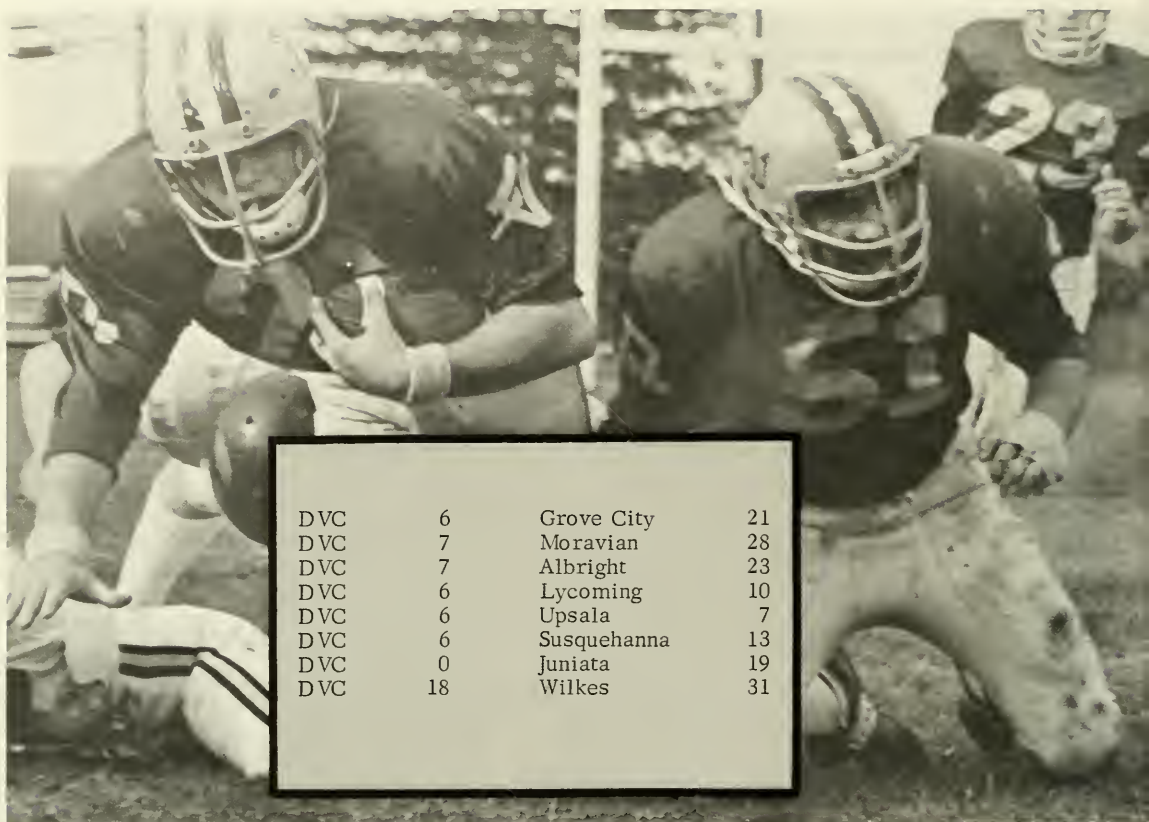

This year's cheerleaders will all be back next year. They're really excited about the sport. They've got a lot of determination, dedication, and most of all, spirit. They hope it starts to spread throughout Aggie-land

FOOTBALL 1975

Despite the 0-8 record the Delaware Valley College football team provided Aggie fans with many exciting moments. Highlighting the year were the hard fought battles against Lycoming (Homecoming), Upsala, Susquehanna (Parents' Day) and Wilkes (Anthracite Bowl). Against Lycoming, Upsala and Susquehanna the Aggies were leading going into the final period, but somehow victory escaped them. In the final game of the year, Delaware Valley fell behind Wilkes in the Anthracite Bowl. Victory again escaped the Aggies when a late Aggies comeback fell short.

Six seniors, throughout the season, proved to be able leaders for Coach Tom Schreiner's team. Co-Captains Jude McKenna and Greg Silenok, Jeff Wiest, Ben Snyder, Ted King, and Jack Fallenstein were the seniors on the squad.

Wide receiver Jack Fallenstein was the second leading receiver and scorer on the team, while linebacker Greg Silenok led the squad in tackles. Most of the other statistics were dominated by underclassmen, so Aggies and fans will have much to look forward to. In conference statistics, Junior Scott Kingsbauer completed the campaign as the second ranked punter (37.5 yd. avg.) and second leading receiver with 246 yards. Freshman quarterback Keith Truskin also finished the season as the fourth leading passer in the M. A. C. Northern Division.

On the All-Conference team, Greg Silenok was selected as a first team linebacker while Ted King received defensive team honorable mention honors.

CROSS COUNTRY 1975

Dr. Robert Berthold's cross country team completed the 1975 season with a fine 10-3 mark and a fifth place finish in the Middle Atlantic Conference Championships. The 10-3 season also marks the fifth consecutive winning season for the youthful Delaware Valley College harriers.

With only two seniors on the squad, Captain Chuck Moose, of New Wilmington, Pa. and Mark Wilson, of Biglerville, Pa., Coach Berthold got the most out of his underclassmen. Both Chuck Moose and Mark Wilson were instrumental in helping the team compile an outstanding four year record of 41-8 (83.6%).

Junior Paul Bennett was the leading runner for Delaware Valley and was awarded the Most Valuable Harrier Award.

Juniors Dave Stull and Bob Weidman, sophomores Ray Bryson and Jerry O'Connor and freshman Victor Frey were the other runners who contributed substantially to the success of the squad.

WOMENS FIELD HOCKEY 1975

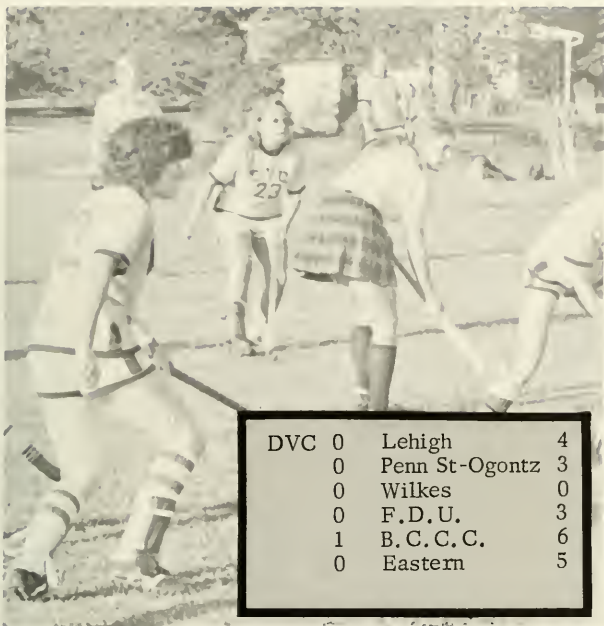

The Delaware Valley College Womens field Hockey team completed their second season of competitive field hockey with a 0-5-1 record.

Developing a field hockey program, while competing against established teams, is a difficult task and Coach Peggy Vellner has been patient and hard working.

Seniors Catherine Cochlin, Helen Dunbar, Patricia Hilton, Barbara Novak, and Captain Deborah Ralston have been the sports pioneers and have set the foundation for future Delaware Valley College hockey teams.

Playing well for Coach Vellner, throughout the season, were senior goalie Debbie Ralston, junior Audrey Mather, sophomores Holly Dietch, Kathy Faherty, and Sue Cromwell, who scored the only goal of the season. Audrey Mather and Holly Dietch probably were Coach Vellner's most consistent performers during the campaign. Audrey was also named the Most Valuable player for the season as well as captain for next Fall.

The highlight of the season was Del Val's hard fought defensive battle with Wilkes College that ended in a scoreless tie.

BASKETBALL 1975-76

Coach Frank Wolfgang's youthful team completed the 1975-76 season with a 5-16 record. The squad, which had only one senior, Captain Raoul Walsh, was composed of mostly freshmen and sophomores. If the present trend continues, basketball will be the sport of the future at Delaware Valley College.

On the season, junior forward Dennis Pastucha finished as the high scorer with 429 points for an average of 20.4 ppg. Pastucha accomplished something no other Aggie basketball player has ever done. He led the Middle Atlantic Conference--Northern Division in scoring with 206 points for an average of 20.6 ppg. The 6'4" Pastucha currently is in sixth place on the All-Time Delaware Valley College Scoring List with 1045 points.

Senior Raoul Walsh ended the campaign as the squad's second leading scorer with 205 points for an average of 11.3 ppg.

In the rebounding department Dennis Pastucha was the leader with 144 while sophomore John Watson was the second with 105.

Highlighting the season were Delaware Valley victories over Drew, Wastern, Washington, Allentown, and Juniata.

In the exciting Allentown game Dennis Pastucha's 1000th career point proved to be the margin of difference in the 71-70 victory.

WOMEN'S BASKETBALL

Coach Peggy Vellner's Delaware Valley College Women's Basketball team completed their second consecutive regular season undefeated.

Last year, the sport's inaugural campaign at Delaware Valley, the team ended with a perfect 4-0 record. This season the women finished the regular season with an unblemished 6-0 mark.

Following the regular season the squad participated in the Middle Atlantic Conference Women's Basketball Tournament. The women topped Gettysburg, but then dropped decisions to host Elizabethtown and Scranton. Their final combined record for the 1975-76 season is 7-2.

Freshman Carol Dalton of Cranford, N. J., finished as the leading scorer with 164 points for an average of 18.2 ppg. Dalton was closely followed by senior Captain Diane Cole of Warminster, Pa., with 145 points (16.1 ppg) and sophomore Janice Kirk, also of Warminster, with 141 points (15.6 ppg).

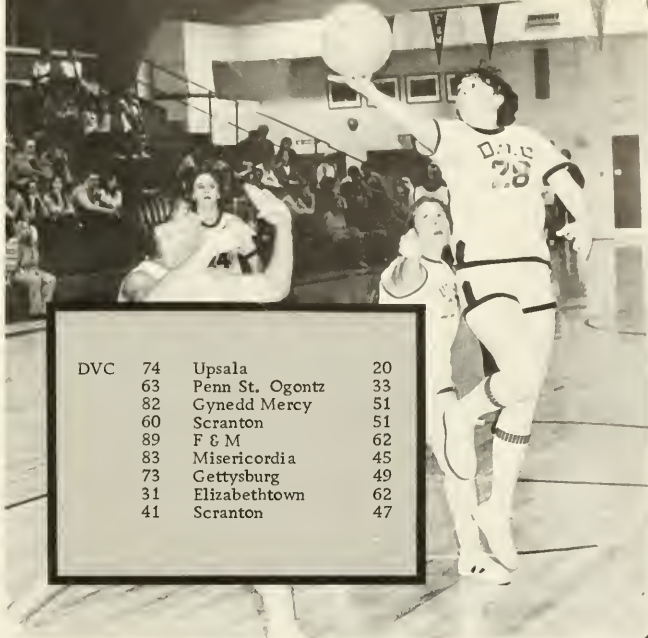

Captain Diane Cole also received the Most Valuable Player Award for her fine effort during the season.

The Delaware Valley College wrestling squad ended the 1975-1976 season with an outstanding 11-2 mark and a fourth place in the Middle Atlantic Conference Championships.

Highlighting the season were Aggie victories over Susquehanna (48-6), Elizabethtown (38-15), Western Maryland (34-6) and a triangular match sweep of Lebanon Valley (25-13), Widener (31-9) and Juniata (50-6). Delaware Valley's only losses were at the hands of Wilkes and Lycoming.

Senior All-American Doug Cope, finished the dual season with a perfect 13-0 record, the M. A. C. 177 pound championship and a third place at the N. C. A. A. Division III Championships. Cope completed his collegiate career with a 36-3 dual match record and an overall mark, including tournaments, of 66-10 for a winning percentage of 86.8%.

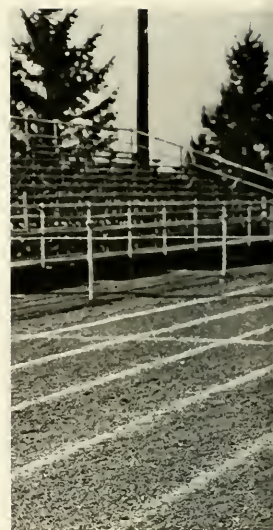

Senior heavyweight Ted King completed the regular season with a fine mark of 9-2 and the M. A. C. heavyweight title.

Two other seniors, Dale Moyer and Joe France, also completed their wrestling careers at Delaware Valley.

Also registering fine records were junior 118 pounder Steve Smith (10-2), sophomore Tom Hunter (9-4), and freshman Art Shull (8-3).

Coach Bob Marshall's second consecutive outstanding season elevates his career record at Del Val to an outstanding 22-5.

The Delaware Valley College track team ended the 1976 season as Spring Kings; they completed their season with a perfect 10-0 record.

The undefeated team was the first in track history at Del Val and is the first undefeated men's team since the 1961 golf team. The ten victories also establishes a new record for the most wins in one season.

The Aggies scored impressive victories over Dickinson, defending M. A. C. Champions Widener, Lebanon Valley, Ursinus and six other opponents. The 440 yard relay team of Scott Kingsbauer, John Maloney, John Barry, and Mark Wilson; the mile relay team of Chuck Moose, John Maloney, Skip Finhorn, and Mark Wilson; along with Al Zimba at shot put, finished the season unbeaten.

At the M. A. C.'s the team finished fifth out of twenty teams, with Al Zimba defending his title in shot put. Sprinter Scott Kingsbauer (100, 200), John Maloney and Co-Captain Mark Wilson (440), George DeFranca (javelin) and the 440 yard relay team also scored at the M. A. C.'s.

The Most Valuable Runner Award was presented to senior Mark Wilson, while the Most Valuable Fieldman Award went to Al Zimba. Seniors Chuck Moose, Skip Finhorn and Jack Fallenstein scored valuable points during the season and will be missed as will Co-Captains Ben Snyder and Mark Wilson who were outstanding as both performers and leaders.

Next year should be just as bright with many good trackmen returning.

FIRST ROW L TO R: R. Nicholson, M. Mehlretter, G. Moroz, W. Hartzell, S. Matechak; Captain, E. High. SECOND ROW: P. Wieliczki, D. Whittaker, G. Richdale, G. LaCava, J. Itterly, W. Ennis, D. Helmstetter. THIRD ROW: J. Barr, J.

Zisk, P. Butler, R. Arcari, J. Lewis, J. Houpert, W. Long, J. Dunbar. FOURTH ROW: Mr. Hardy; Head Coach, M. Scheeler, T. Varacallo, R. Reapsome, G. Melly, W. Marinelli, J. Magnus, J. Lund, P. Barrett.

Coach John Hardy's baseball squad ended the 1976 season with a 4-11-1 record.

The Aggies topped Drew, Ursinus and swept a double-header from Philadelphia Textile to highlight the season. Despite their losing record, the Aggies were in every game they played. During the campaign the team dropped five one run decisions. With a little luck the Aggies could have easily had a winning record.

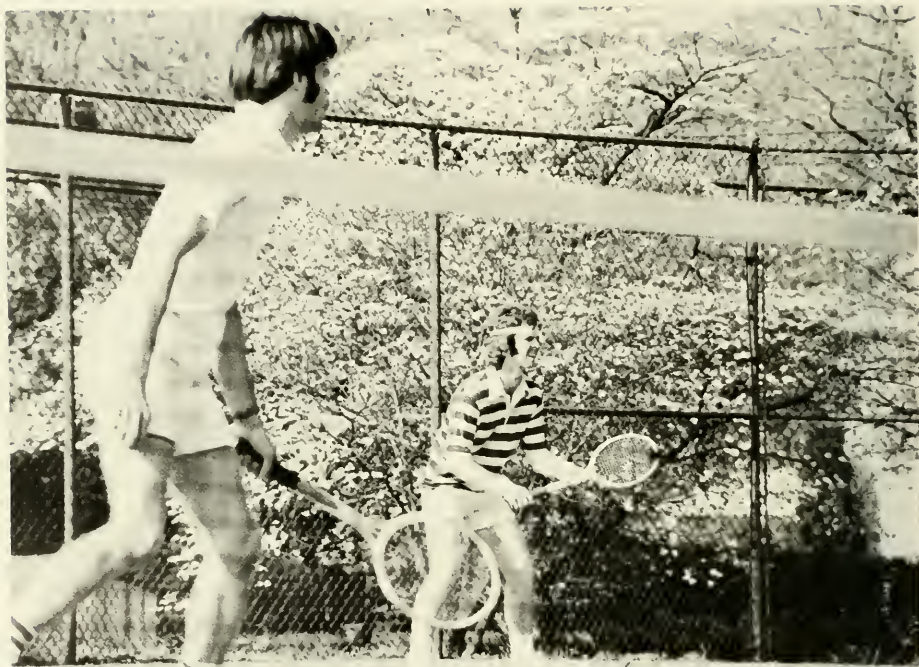

Junior second baseman Pete Wieliczki was the team's leading hitter with a .356 average. Wieliczki's fine play also earned him the Most Valuable Player Award. Wieliczki was followed in the hitting department by freshman John Zisk (.333), senior Captain Sam Matechak (.326) and freshman John Lewis (.310).

Senior Gerry Moroz led the team in doubles, home-runs and was second in RBI's.

The pitching staff was led by sophomore Bill Ennis who turned in a 2-0 season. Senior hurler Gary Dalina registered a 1-3 record and led the staff in complete games. Juniors Bob Nicholson and Dan Whittaker also played important roles for the mound staff. Nicholson received the Most Valuable Pitcher Award.

Throughout the season seniors Gary Dalina, Bill Hartzell, Eric High, Captain Sam Matechak and Gerry Moroz provided leadership and enthusiasm.

TENNIS

FIRST ROW L TO R: Mr. Marshall;
Coach, F. Gradel, P. Strielsky, J. Ste-
vens, D. Buist, P. Bennett. SECOND

ROW: J. Totten, R. Phillips, M. Chra-
nowski, M. Glaiel, F. Crisafi.

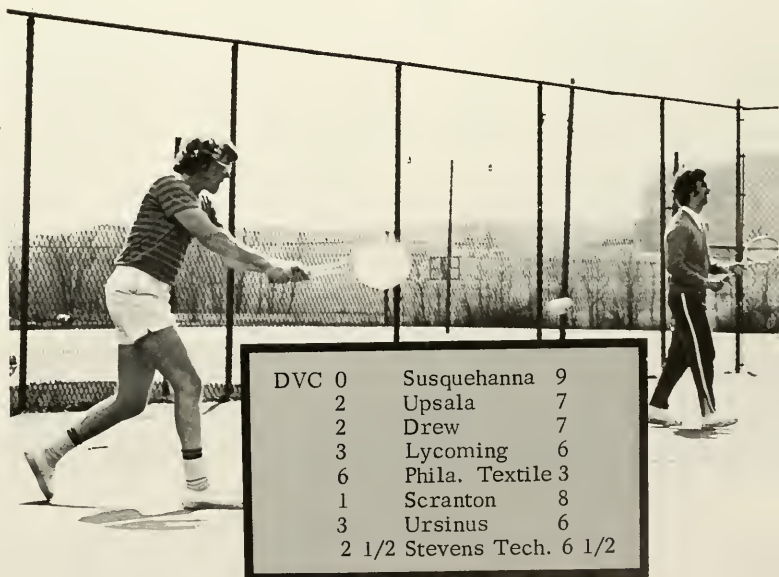

The Delaware Valley College tennis team completed the 1976 season with a 1-7 record. The highlight of the season was the 6-3 victory over Philadelphia Textile. The youthful Aggie netmen also dropped close decisions to Ursinus and Lycoming by 6-3 scores.

Coach Bob Marshall's top performer was sophomore Frank Crisafi, who completed the season with a fine 5-3 mark. Crisafi and freshman Mike Glaiel teamed up to register a fine 5-3 doubles record.

The Most Valuable Tennis Award was presented to Frank Crisafi for his fine effort. With only one senior, John Stevens, the tennis team has a bright future.

GOLF

LEFT TO RIGHT: R. Mc Carney, K. Burnley, C. Kern, T. Stawovy; Captain, T. Schnell, M. Strusiak, T. Orr, K. Rickenbach, Mr. Linta; Head Coach.

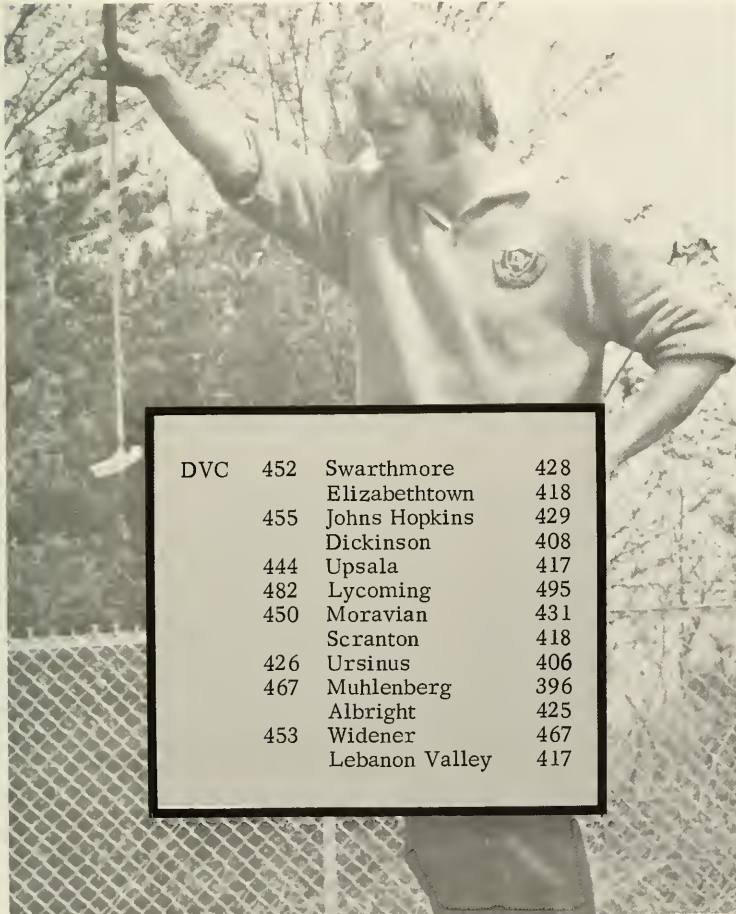

Coach Ned Linta's youthful golf team finished with a 2-11 record. Coach Linta will not be losing one senior through graduation. The entire squad will return intact for the 1977 season.

Leading this year's team was freshman Mike Strusiak. Strusiak, playing the most consistent golf of any member of the team, received the Most Valuable Player Award for his fine effort this season. Another fine freshman, Kent Rickenbach, followed closely in Strusiak's footsteps.

Junior Captain Tim Stawovy, Junior Chip Kern and Sophomore Bob Mc Carney, along with Strusiak and Rickenbach, were the squad members receiving letters.

The Aggie linksmen scored their victories over Lycoming (482-495) and Widener (453-467).

With a fine nucleus returning, the golf fortunes at Del Val look great.

SPRING MUSICALE

1975 HOMECOMING

FOUNDER'S DAY 1976

"I solemnly pledge to discharge all my responsibilities faithfully, honestly, effectively, enthusiastically and always to the very best of my abilities.

I am very happy and proud to have had the opportunity to assist Dr. Work and to contribute to the progress of our College.

Progress does not just happen! Progress and achievement are the results of judicious planning and very hard work by many people. We at our College have always had an outstanding Board of Trustees, an excellent Administration and Faculty, dedicated and loyal staff, alumni and friends, and above all--a wonderful student body!

We have come a long way but we will not pause for any rest period nor will we stagnate. We will always preserve our traditions and beliefs but we will adjust to the needs of the times.

We will continue to maintain educational excellence. We will continue to give every student individual attention, careful counseling and the opportunity to reach his or her highest potential.

Let's together work hard and unselfishly to preserve the past, improve the present and plan to ensure a most successful future! In such a way, we will perpetuate the results of hard work, and the generous contributions and dedicated efforts of many people over the past 80 years, and especially the visions, accomplishments and aspirations of the Founder of the National Farm School, Dr. Joseph Krauskopf and the Founder of the College, Dr. James Work.

May God bless all of you and thank you very much."

GRADUATION

Well, we finally made it! A few lost pictures, some misspelled copy, a few left-out names, three (out of four) late deadlines, but we made it!

Without the help of a few very patient, dedicated, and hardworking people it would not have all been possible.

Thanks to Mr. Hegyes for his help in compiling the sports information, thanks to Sonia for her overtime--after May 16, thanks to Bev for all her last minute lay-outs, to the 'Dead End Kids', Debbie, Helen, Bonni, for their untiring efforts in compiling the senior directory (among other things!), thanks to Marion for 'taking all the grief', to Byron and the rest of the photography staff for...and finally to Dianne Rodgers for the countless hours spent on creating our theme through her artwork.

A special thank you to our friends in the Financial Aid office--Mr. Sauer and Mrs. Galitz, who put up with many visits from a traumatic editor!

To all these people and anyone else involved in the production of this yearbook, I say 'Thank You'. It is my hope that this yearbook will serve as a lasting memento of the highlights of the school year and as a tribute to the CLASS OF 1976.
